City of Houston Acres Meeting on November 30th, Thursday @ 7:45 p.m.
Come and meet your Mayor and Commissioners, learn about what is happening in your neighborhood, voice a concern or find a way to serve. Watch for a location notice to be posted at the four-way stop a few days before the meeting.

3rd Annual Let's Light Up Houston Acres Contest December 1st through 20th
This year's categories are
Best of Lights - Creative displays of lights, colors and inflatables
Ever- "Green" - Traditional winter displays
Best of Tech - Displays that include sounds, music, and movement
One winner for each category will receive a gift card.

PUBLIC SAFETY

When your driveway is full, parking on the street is allowed. Vehicles must be parked in one direction with the flow of traffic and all tires on the pavement. The purpose being to keep the roads open for emergency response vehicles at all times.

Should you need to call the police, be aware that a police report will only be prepared if you request one with a filing number. Also, be aware that you have a 24-hour window after your call to request a report. After that, there will be no record of your call or the police response. It will be as if it never happened.

Road Pavement Assessment

The 2023 billing was the final billing for the road pavement assessment fund.

RUMPKE

If you need a Rumpke trash, recycling or yard waste container replaced, contact Commissioner Mia Seitz with your name, address, contact information and the type of container needed.

We're Going Virtual! In an effort to more effectively communicate with the residents of Houston Acres, we are beginning to send newsletters via email. Email your name, house address and email address to HoustonAcres@gmail.com. You will only receive a city newsletter, updates on work in the neighborhood and upcoming events. We promise not to send you junk mail or share your email.

City Meetings

The City Meetings are held on the last Thursday of each month at 7:45 p.m. Currently, meetings are being held on ZOOM. If you would like to attend, contact Commissioner Scott Medley. Beginning with the November 2023 meeting, it is planned to return to meeting in a physical location. Watch at the four-way stop for a posting of that location.
