ROAD FUND

The annual Road Fund collection effort has become a burden beyond expectation of the Commissioners. Here we are in March and not all funds have been collected since the request was mailed in July of 2017.

YOUR MORTGAGE HOLDER DOES NOT PAY THIS FEE

We've done what we can to push those who are late. We call, send follow up mail, knock on doors, email, direct message on Facebook, whatever we can to prevent putting a lien on a home.

Moving forward, we're printing the delinquent list in this publication and filing liens.

If you haven't paid by the date stated in the initial request, we'll bundle the remaining amount owed (number of years left x $69) plus penalties and interest and put a lien on the property.

Thieves and Cars Left Unlocked

In the last four years, there have been ZERO cars broken into in Houston Acres. 100% of the reported loss due to theft have been cars left unlocked. Lock your car doors! Thieves are opportunistic. They're looking for the easy mark. Breaking windows is a challenge and it draws attention; neither of which are desirable for a thief.

Street Parking

The City Commissioners would like to reiterate the parking law in Houston Acres. All vehicles must be parked in driveways except when the driveways are full. Cars left on the street are subject to ticketing and our police officers have been asked to identify and site offenders who regularly ignore this policy. Any car parked in the street, for any reason, must have all four tires on the road surface.

Vandalism

Due to recent vandalism to two of our street signs the city is offering a $500.00 reward. The reward will be paid to anyone with information leading to an arrest and conviction of the person(s) responsible. The damage has totaled $6000.00 of your tax money. Contact the Mayor or a Commissioner with information. All information will be kept confidential.

Dogs

We have received several dog complaints. These range from a dog off-leash to an aggressive animal in the City. There is a leash law in Houston Acres and Metro Louisville. We have asked Metro Animal Services to step up patrols for animals not contained or under control. Any residents concerned about a loose dog are asked to call Metro Animal Services (502) 473-7387 to have the animal picked up.
