Meetings: Last Thursday of each month at McMahon Fire House

ROAD PAVING BILL

FIRST PAYMENT DUE JULY 15th

The homeowners have chosen 10 annual payments of $69 per home as the preferred method of payment for the road paving project. An overwhelming majority of votes made it clear that a temporary tax was preferable to a permanent increase.

The first invoice has been mailed to all homeowners and payment is due by July 15th, 2014. If you so choose, a single payment of $669 can be made this year that will save you 3% of the total cost. This discount is only available until July 15th, 2014.

The invoice you received can be returned (with your check) to:

Yard Sale

On Saturday, June 28th, the City of Houston Acres will hold its annual City-Wide Yard Sale! Signs will be posted on Taylorsville Road and an ad will be placed on Craigslist.com the week prior to the 28th. Let your friends and relatives know and invite them to come out. More traffic is always better.

Awareness / Crime Report

Please lock your car doors. Lincolnshire Police reported a number of vehicles had items stolen recently. Most of these cars had unlocked doors. A thief will take the path of least resistance and an unlocked door is a much easier target for a criminal than a locked one. Please report suspicious activity immediately.

Good Neighbors

This city is full of good neighbors. We received a number of reports of helpful neighbors especially over the winter with all the snow and ice. You're making your city a better place to live when you help your neighbors. Bringing the newspaper and garbage cans in from the driveway, clearing snow, mowing lawns, catching a loose pet…these are the stories we hear. Thank you for what you do! If you'd like to share Good Neighbor story in the newsletter, please call Scott @ 727.3154 or e-mail HoustonAcres@gmail.com

Garbage / Recycling Cans

Yard waste and recycling cans need space between them to help the drivers pick them up more easily and with less of a chance of items falling out. Rumpke trucks are equipped with a mechanical arm that grabs the containers and a good gap between the cans really helps the drivers. Three to four feet would be sufficient. Rumpke Customer Service 1.800.582.3107.

Your City

Have a question you want answered? Wonder how the city commissioners operate? Come to a meeting. All are welcome and invited. The commissioners meet the last Thursday of each month at 7:45PM in McMahon Fire House.
