Meetings: Last Thursday of each month at McMahon Fire House @7:45PM

EASEMENT USAGE

Please ensure anything in the easement between the street and the yard drainage areas is kept away from the street. Letters have been addressed to our neighbors where basketball goals are overhanging the street. This is causing delivery and garbage trucks to swerve into the opposing lane. City ordinances allow for enforcement within that easement and fines can be assessed if these items are not clear of the street.

LOOSE DOGS

The City Commissioners would like to remind homeowners that loose dogs are the responsibility of BOTH the dog owner and the homeowner (in the case of rented homes). In the event a dog causes harm to person or property, homeowners can be held liable along with the dog's owner.

UPDATES

NEW STREET LIGHTS

Residents may have noticed a change to the street lights in Houston Acres recently. Commissioners worked with LG&E to assess and upgraded the antiquated lighting within our borders. The new lights are environmentally cleaner and less expensive to run. As stewards of the city's money, your commissioners agreed to invest in the new lighting. Houston Acres will see a reduction in annual LG&E expenses of more than $2200 after the installation costs are recouped.

SNOW CONES

On July 20th from 6:30PM to 8:30PM, City Commissioners are hosting a Snow Cone Social at the end of Hewitt Avenue (at Marlin Road). All residents are welcome! Kona Ice will be on hand to supply the snow cones. Come out, meet your neighbors and your commissioners and enjoy a frozen treat.
