Meetings: Last Thursday of each month at McMahon Fire House @7:45PM

ROAD FUND

The third annual Road Fund collection effort is nearly complete. Only five homeowners have not fulfilled their obligation as of early November. Those homeowners may receive a reminder in person or an additional mailer soon.

TAX BILL

Tax valuations were recently adjusted by the Jefferson County PVA. In accordance with state law, Houston Acres cannot collect more taxes as a result of higher valuations without passing legislation that matches the increase. Your city commissioners chose not to increase the tax for 2017 so a lower tax rate has been established to keep the overall tax revenue flat. Tax bills will be mailed next year.

Louisville REZONING MEETING

When: Monday November 14th at 6:00pm
Where: East Government Center
200 Juneau Drive Louisville, KY 40243

Regarding the proposal @ 4208 Taylorsville Rd.

NEED A RIDE TO THE ZONING MEETING??
Call 502.523.4897
City of Houston Acres Commissioners have set aside funds to provide a rental van if the need arises. Please call the number above as soon as possible so we can coordinate those who need transportation.
We encourage all residents to attend and show Louisville Planning and Zoning we do not support this zone change.

New Police Chief
Leslie Watson has taken over as the new Chief of Police for Lincolnshire and Houston Acres. Many of you already know Chief Watson or have seen her patrolling our city. A big thanks to her for patrolling during Halloween and passing out candy to the Trick-or-Treaters once again.

Chief Watson has established a dedicated phone number for Houston Acres and it is listed at the end of this newsletter.

November City Meeting
Date change to accommodate Thanksgiving. New meeting date will be November 17th at 7:45PM.

Street Parking
The City Commissioners would like to reiterate the parking law in Houston Acres. All vehicles must be parked in driveways except when the driveways are full. Cars left on the street are subject to ticketing and our police officers have been asked to identify and site offenders who regularly ignore this policy. Any car parked in the street, for any reason, must have all four tires on the road surface.
