ROAD FUND

The annual Road Fund collection effort has become a burden beyond expectation of the Commissioners. Here we are in May and not all funds have been collected since the request was mailed in July of 2017.

We've done what we can to push those who are late. We call, send follow up mail, knock on doors, email, direct message on Facebook, whatever we can to prevent putting a lien on a home.

Moving forward, we're printing the delinquent list in this publication and filing liens where appropriate.

If you haven't paid by the October City Meeting, we'll bundle the remaining amount owed (number of years remaining x $69) plus penalties and interest and put a lien on the property.

Unpaid Road Paving Fees

Road Paving Fees reminders were sent in July.

These homeowners haven't paid their 2018 fee.

Our next option is a lien on the home which will include the remaining balance along with fees, fines and interest.

If you're on this list and you'd like pay your fee, please either locate the numerous letters and postcards we've sent you or reach out to Steven (502) 509-1313 (he has young children so please call before 8pm).

Putting a lien on a neighbor's home IS NOT our preferred option but previous attempts to contact you have gone unnoticed or ignored. We are still responsible for paying off the loan.
